The best ways to clean **tough spots**

We scoured and scrubbed so you won't have to. From our experts, tools and tips to tackle your cleaning pet peeves.

Kitchen floors

TOP TOOL Vileda's new UltraMax Mop (\$19.99) comes with a removable, washable pad for wet cleaning and dry dusting. Ultra-absorbent and slim, it reaches where other mops can't go.

OUR TIP Between moppings, clean scuff marks with a dab of baking soda paste; wipe with a damp towel.
